Dear PICPA Member:

We are pleased to announce that the PICPA, through Mather & Co., is offering Long Term Care Insurance coverage to PICPA members and their extended families. Spouses, parents, parents-in-law, grandparents, aunts, uncles, sisters, brothers and children over the age of 18 are eligible to purchase this coverage at a discounted rate.

Mather & Co. has partnered with Personal Health Services, Inc. to develop a program that offers significant premium discounts, simplified underwriting, and multiple carriers to best meet your needs while making the best rates available.

We wanted to make sure that this program was accessible to as many members as possible and chose to create a program with the individual in mind rather than one plan for all. As a result, members and their families have access to the top insurance companies in the industry with a plan that can be customized for you.

Sincerely,

Robert H. Krebs, Jr., CPA
