Dear Alumni,

I am pleased to inform you that the West Chester University Alumni Association includes a Long-Term Health Care Insurance program in the benefits offered to the alumni of the University. This program allows you to select the care benefits which best meet your needs and budget.

Additionally, through this program, your family (spouse, parents, in-laws, grandparents, aunts/uncles, sisters/brothers and children over the age of 18) is also eligible to purchase insurance at discounted rates. Each of the policies will not only benefit you, but also the WCUAA and its projects.

What a great way to protect yourself and your family in the future and support your alma mater at the same time! On behalf of WCU and the WCUAA, thank you for your interest and participation in this program. We appreciate your support.

Sincerely,

Katherine Kalogris Cipriano '00
