Dear PSPA Members:

We are pleased to inform you that the Pennsylvania Society of Public Accountants has added a Long Term Health Care Insurance program to the benefits currently offered to members of the Society. This program gives you the ability to select the long-term care benefits which best meet your needs and budget.

Additionally, through this program, not only you (the member), but your spouse, parents, parents-in-law, grandparents, aunts/uncles, sisters/brothers and your children over age 18 are eligible to purchase insurance at the discounted rate and each of their policies will benefit the Pennsylvania Society of Public Accountants and its projects.

What a great way to protect yourself and your family in the future and support your Society at the same time. Thank you for participating in this program. We appreciate your support.

Sincerely,

Daniel J. Vecchio
PSPA President
