Dear Alumnus/a,

We are pleased to inform you that the Wilkes University Alumni Association has added a long-term Health Care Insurance program to the benefits currently offered to alumni of the University. This program gives you the ability to select the long-term care benefits which best meet your needs and budget.

Additionally, through this program, not only you, but your spouse, parents, parents-in-law, grandparents, aunts/uncles, siblings and children over the age of 18, are eligible to purchase insurance at the discounted rate and each of their policies will benefit the Wilkes University Alumni Association and its projects.

What a great way to protect yourself and your family in the future and support your alma mater at the same time. We appreciate your participation in this program.

Best regards,

Sandra Sarno Carroll  
Executive Director of Alumni Relations and the  
Wilkes University Alumni Association
